**SHOW RULES**

1. The authority for judging shall be the AVSA Handbook for African Violet Growers, Exhibitor, and Judges, 2007 edition. This show shall be judged on the merit system. Only blue ribbon exhibits will be eligible for any special awards. Any exhibit entered in Classes 1-5 receiving a blue ribbon are also eligible for any other special awards.
2. All African Violets species, cultivars, and other gesneriads shall be correctly named. A cultivar does not have to be listed in the Master Variety List or supplements to be entered.
3. Classes shall be open to members of the African Violet Club of Burlington County only.
4. All entries shall be entered by 5:00 PM, Friday April 25, 2008. Only clean, healthy plants and /or plant material shall be accepted. Classification committee shall have final authority. Specimen plants shall have been in the exhibitor's possession for 90 days.
5. An exhibitor may make only one entry of a particular variety in the same horticultural class but multiple entries of different varieties is permissible with these exceptions. An exhibitor is limited to one entry (three plants) in Classes 1-5. Exhibitors in classes 1 & 2 must also be members of AVSA.
6. All entries in classes 1-31 shall be single crowned plants in bloom with the exception of trailers which must have at least three crowns and species.
7. The Classification committee reserves the right to combine and/or subdivide classes and to disqualify entries not considered of to be show quality.
8. In the Design division classes 38-45, the African violet shall be emphasized. The African violet plants and other plant material used need not have been grown by the exhibitor. The American flag, state flags, flags from other nations, plants on the endangered list from any state or nation, and live creatures shall **not** be used in any design division exhibit. No artificial plant material shall be permitted, however, dried, treated, tinted, or painted plant material shall be allowed. Accessories are permissible in all classes. All exhibits shall be the exclusive work of the exhibitor. Backgrounds/drapery is permitted. A card 3"X 5" giving names of varieties used together with a description of other plant materials is permitted. Niches shall be oyster white in color.
9. All specimen plants, except those Classes in 29 and 32-37 must be exhibited in clean non-decorative green plastic pots and/or self-watering containers. All labels and wicks shall not be evident.
10. No exhibit shall be removed until the end of the show.
11. Precautions shall be taken to afford all possible protection, but all exhibits shall be made at the exhibitor's risk. Neither the Show Committee, The African Violet Club of Burlington County, nor the Central Baptist Church or their members shall assume responsibility or liability for visitor's safety or belongings.
12. Judging shall begin promptly at 9:30 AM on Saturday April 26, 2008. During the judging only Judges, Judges Clerks, Show Chairman, Judges Chairman and Classification Chairman shall be allowed in the show area. Exceptions may be made by the Show Chairman.

**JUDGES' DECISIONS SHALL BE FINAL  
AND ACCEPTED BY ALL**

## SHOW SCHEDULE

### “DANCING WITH VIOLETS”

#### HOW TO SEE THE SHOW

The purpose of the show is to display our plants in such a way that you will be interested in joining us in our hobby. To get the most enjoyment from the show, it is necessary to understand that the plants and other exhibits are grouped according to specific categories. Follow along with this schedule as you proceed through the show. Hosts and hostesses are on the floor to answer any of your questions related to violets.

In the Horticultural Division of the show, specimen plants are grouped in separate classes according to leaf type, blossom color, etc. Numbers on the display tables correspond to the classes listed in the schedule. The various plants and exhibits are judged by qualified African violet judges according to established AVSA point scales. It is not enough for a plant to have the most blossoms or to be the largest. Points may be lost during judging for dead blossoms, marred leaves, wrong pot size, etc. The judges award a ribbon to each exhibit based on its final score:

Blue Ribbon	90-100 points
Red Ribbon	80-89 points
White Ribbon	70-79 points

#### ACKNOWLEDGEMENTS

The African Violet Club of Burlington County wishes to give their sincere thanks and appreciation to the Central Baptist Church and Members for their generosity. A special “Thank You” for the show awards that have been donated, especially the African Violet Society of Philadelphia, New Jersey Council of African Violet Judges, Tristate African Violet Council, Union County Chapter African Violet Society and Baltimore African Violet Club for their awards. We extend our thanks to our judges who have given their time and talent to judge our show and all the persons who assisted to make the show possible
